

COMPUTERS

Members will be supplied with their choice of one of the notebooks or tablets in the table below as well as an iPad should they wish to have one. Each Member is also allocated two computers for their constituency assistants and they may choose from the desktop and notebook computers in the table below. Constituency Assistants selecting a notebook computer will also be supplied with an external monitor, keyboard and mouse.

All computers are supplied with Windows 10, Microsoft Office 2016 Professional (Word, Excel, PowerPoint, OneNote, Publisher, Access and Lync), Microsoft Outlook, Adobe Reader, and Adobe Photoshop Elements.

New Members who have not yet opened a constituency office or hired staff may delay the ordering of the equipment for their staff if they wish. Members choosing to provide a smartphone to their constituency assistant must absorb the cost from constituency office funds.

If you have any questions about the different models of computers or smartphones, please call the Information Technology Help Desk at 250-356-1655. You may also contact the Director, Graeme Brown, directly at 250-356-1712 or at Graeme.Brown@leg.bc.ca.
